In:

The Department of Architecture 1:2 Charette Prelim

On:

Friday, February 22nd

Starting at 9:00am in Room E7-114

This charette is opened to all Architecture students who have completed ARC 201.

This one day competition will be used by faculty to select two students who will represent The Department of Architecture at ELAC for this year's upcoming 1:2 competition. The Department has provided 10 additional charette participation slots for selecting two students. These are available on a first come first served basis.

The charette will begin promptly at 9:00am in Room 114 of Building E7.

Students must bring all of their own personal drafting tools. No phones or computers may be used during the charette. The event will be from 9am-2pm.

If you are interested in participating, please see Greg or Sung to sign up.

Again charette participants will be chosen on a first come first served basis to fill the remaining 10 slots.

What is the 1:2 Competition?

It is an annual competition organized by The American Institute of Architects Los Angeles (AIA|LA) Interior Architecture Committee. It is usually held at one local architectural office and scholarships are distributed to deserving students.

Last year, Bernardo Rubio and Pablo Onate represented our department and won first place!
